

## **Coronavirus Update**

### **Current Closure of the Swim School**

We remain closed due to the Coronavirus pandemic. All of our staff have been placed on furlough for the time being. You can still register your interest through our website or by email and we will respond to you when we return to the office, hopefully in early May.

### **The Current Plan for Next Term**

For all of you who have booked with us and paid for the next term, we are still planning on running our Summer Term 2020 courses, subject to the Government and Public Health England's recommendations regarding the re-opening of schools, gyms, etc.

We had originally planned to start our new term towards the end of April. However, following the government's announcement this week that "lockdown" arrangements will remain in force for the next three weeks at least, we will now be staying closed until the next review on 7<sup>th</sup> May. After this, if circumstances permit, we will follow the school term, and set our term dates in line with theirs.

### **Planned Re-opening of the Office**

We plan to re-open the office in early May, following the next announcement, and will let everyone know our plans for the coming weeks at that time.

We are all currently safe and well, and we sincerely hope that the same is true for you and your families. We hope to see you again soon in the summer.
